Dear Honorable Martin Glenn;

I live in
Texas and can not come to court in
New York.

I did not sue Ocwen, I
did not buy my house from Ocwen.
I sued BOA long before Ocwen
bought the Bid from Rescap.

I objected to Ocwen and
ResCap Filing a motion against me.
Both are ~~work~~ working together and
still committing fraud. I did not get
a copy of what they objected to.

BOA committed the fraud, that
was why they had to pay the fine.
The fine was the largest fine in
history. BOA had to pay it and

The first thing I noticed when I stepped
 out of the car was the cold. It was a
 sharp contrast to the warm blanket of the car.
 I shivered slightly, but then I remembered
 that this was just the beginning. The cold
 would only get colder as the night went on.
 I took a deep breath and walked towards
 the entrance of the building. The door was
 open, and I could see the bright lights
 of the interior. I walked in, and the cold
 air hit me like a wall. I was alone.
 The silence was deafening. I looked around
 at the empty rooms, the cold floors, and
 the distant lights. I felt like I was in a
 dream. I walked on, feeling the cold
 air in my lungs. I was alone, and I
 knew it. I was alone, and I was cold.

they accepted and said that they did the fraud. Mr Holder, the attorney General made them admit their fraud.

I have nothing to do with Ocwen or ResCap, so they should not be in my case with BOA.

They are not BOA.

Thank you very much for reading my letter.

Yours Sincerely
Abosede Ebowene.
